

Privacy Policy

Data Collection

The platform collects name and email address, account information, content published by the user and subscription information.

Data Use

Data is used solely for platform operation, communication between users, subscription billing and technical and customer support.

Data Sharing

The platform does not sell data, does not share data with third parties and uses data only within its system.

Security

The platform implements appropriate technical and organizational measures to protect personal data against unauthorized access, loss, misuse, alteration, or disclosure. Data access is limited to authorized personnel only, and security practices are regularly reviewed and updated as necessary.

User Rights

The user has the right to access their data, request correction, delete their account and restrict processing.
